- Adopt any updated protocols that may be implemented to deal with changing circumstances.
- Acknowledge that the organization can try and prevent risk, but cannot guarantee all risk is eliminated.
- From 1 July 2020 onwards most insurance companies will have a Listed Human Diseases exclusion clause for all new business and insurance renewals.
- Agree to provide information (for example, if you have travelled overseas recently, visited any identified hotspots, been exposed to someone who has been diagnosed with COVID-19, or if you feel unwell or have symptoms of the virus).
